CITY OF OAKRIDGE

Request for Bids

RFB No. RFB-2026-114 · Issued October 24, 2026

Project title	Oakridge Avenue Bridge Railing Repair
Location	Oakridge Avenue bridge over Mill Creek, Oakridge, CA
Engineer's estimate	0.10 USDC (test USDC on Base Sepolia, demo scale)
Required completion	November 14, 2026
Bids due	November 7, 2026, 2:00 PM PT, through GovFlow

SCOPE OF WORK

Remove and replace damaged steel railing sections on the north and south spans (approx. 180 linear feet), including anchors, welding and corrosion coating. Railing lights will be installed under a separate subcontract.

SCHEDULE OF VALUES

Line	Description	Amount
1	Replace damaged railing sections	0.10 USDC

BIDDER REQUIREMENTS

- Every bidder is screened with CRS before award: identity (TransUnion IDV), business credit, liens & judgments (PitchPoint), sanctions (OFAC SDN), fraud signals (Fraud Finder) and business registry.
- Only bidders that pass may be selected. Results are stored as an attestation hash, not raw identity data.
- Progress billing only on work inspected and accepted by the City; two approvals before payment.
- Payment only to the wallet bound to the bidder's verified owner. Any change of payee, wallet or owner freezes payment until re-verified.
